October 2011

Dear Spanish teachers and students:

Creekside HS, the host for the 2012 Florida State Spanish Conference, invites your school to participate in this year's conference. The purpose of this conference is to bring together those students who have demonstrated their knowledge of the Spanish language and who have expressed an interest in competing in the following areas: impromptu speeches, declamation, and dramatic presentation.

Dates: March 8, 9 and 10, 2012

Location: Orlando Wyndham Resorts International Drive (and Sand Lake Rd)

Eligibility: Set by Florida Statutes for Interscholastic Competition

Students must maintain a 2.0 GPA or better for the grading period immediately preceding the competition, and they must have passed five of seven or five of six classes.

Divisions:

There will be two divisions with equivalent trophies awarded for each division. The maximum number of delegates representing any one school is sixteen.

Division I:

In this division no more than 70% of delegates must be in Category A; maximum of 30% of delegates in categories B, C, and D.

Division II:

This division includes schools with more than 30% of delegates in categories B, C, and D.

Competition: There are three types of academic competitions

Impromptu Speeches:

Each student will give a two-minute discourse on a given topic. A list of sample topics is available on the web site: www.thefssc.org under the TEMAS link. Please note that the topics HAVE CHANGED. Each school may have up to sixteen delegates on the team, however all delegates must participate in Impromptu Speech.

Declamation:

A maximum of **six** delegates may compete in a three-minute oral presentation of a poem. Costume and movements of interpretation permitted and encouraged.

Dramatic presentation:

Each school may enter one skit or short play, through which triple point value will be obtained.

Level of Spanish Proficiency:

Students will compete according to the level of the class in which they are enrolled (Spanish II-VI). Students enrolled in an AP Spanish class should be listed according to the numerical level corresponding to their years of study of Spanish. As there is no AP category, therefore AP Language is considered five years and AP Literature is considered six years. Also, students will be classified according to their level of proficiency:

- A. Students have ONLY learned Spanish in the classroom.
- B. Students with limited outside experience at home or in a Spanish-speaking environment.
- C. Students with extensive outside experience.
- D. Students reared and educated in a Spanish-speaking environment.

Judging:

Two judges will rate each delegate on the basis of diction, interpretation, and over-all performance.

Awards:

Each entrant will receive one of four assessments: "Bueno", "Excelente", "Superior", and "Sobresaliente".

In each of the school-size groupings define by the Florida High School Activities Association (6A, 5A, 4A, 3A, 2A, and 1A) an outstanding school will be named in each division based on total points accrued by its delegates.

In order to have a chance at a trophy; a school must enter each of the three areas of competition.

Individual students may choose to participate in the non-academic regional dress and/or entertainment (singing, dancing, musical instrument) competitions at the banquet for personal awards, but these scores will have no bearing on the outstanding school award. Each school may also enter one scrapbook and a poster depicting the conference theme.

For conference events schedule, see link "[Schedule](#)" and for complete rules and regulations for all events, see link "[Events](#)".
